**DEPARTMENT OF PUBLIC WORKS: WATER TREATMENT MAINTENANCE  
SERVICES FOR THE COOLING TOWERS AND HEATING, VENTILATION, AND  
AIR CONDITIONING SYSTEMS AT PUBLIC WORKS HEADQUARTERS COMPLEX  
(SUPERVISORIAL DISTRICT 5)  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the contract work is categorically exempt from the provisions of the California Environmental Quality Act.
2. Award the contract for Water Treatment Maintenance Services for the Cooling Towers and Heating, Ventilation, and Air Conditioning Systems at Public Works Headquarters Complex for a sum not to exceed \$72,000 to WETCO, Inc., located in Mission Viejo, California. This contract will be for a term of 36 months commencing upon September 20, 2007.
3. Authorize the Director of Public Works or his designee to increase the contract amount up to an additional 25 percent of the contract sum for unforeseen, additional work within the scope of work of the contract, if required.
4. Authorize the Director of Public Works or his designee to execute the contract; to approve contractor's entity change in accordance with your Board's policy on contractor mergers/acquisitions; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works, it is in the best interest of the County to do so.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to award the contract for the Water Treatment Maintenance Services for the Cooling Towers and Heating, Ventilation, and Air Conditioning (HVAC) Systems at Public Works Headquarters Complex. This contract is for twice monthly service. The work to be performed will consist of maintaining a nonchemical water treatment system made up of pretreatment equipment, corrosion and deposit inhibitors, and biocides applied to open evaporative cooler water systems. Service also includes maintenance, repair, monitoring, and adjustments for the complex's HVAC. The Department of Public Works has contracted for these services since 1999.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) and Organizational Effectiveness (Goal 3). Having a contractor that has the specialized expertise to provide these services accurately, efficiently, timely, and in a responsive manner will support the Department of Public Works in meeting this Plan.

### **FISCAL IMPACT/FINANCING**

There will be no impact on net County cost. The contract is for an amount not to exceed \$72,000 (\$2,000 per month), plus 25 percent for unforeseen, additional work within the scope of the contract. This amount is based on the price quoted by the contractor. Should additional work be required that exceeds the amount authorized, approval of additional funds will be sought.

Financing for these services is included in the Fiscal Year 2007-08 Internal Service Fund Budget. Funds to finance these services in future fiscal years will be requested through the Department of Public Works' annual budget process.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The recommended contractor is WETCO, Inc., located in Mission Viejo, California. The contract will commence on September 20, 2007, for a term of 36 months.

Prior to the Director of Public Works executing the agreement, which will be substantially similar to Attachment A, the contractor will sign and County Counsel will review it as to form.

The recommended contractor is in compliance with your Board, Chief Executive Officer, and County Counsel requirements.

The Director of Public Works may approve mergers, acquisitions, and other changes of form of entity or assignment in accordance with Board Policy 9.041, Evaluation of Vendors/Contractors Engaged in Mergers or Acquisitions.

The contract contains terms and conditions supporting Board-sponsored policies, such as contractor responsibility and debarment, jury service requirements, the Newborn Abandonment Law (Safely Surrendered Baby Law), and charitable activities compliance.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record that reflects its past activities have been conducted according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is the Department of Public Works' assurance that the contractor will not be requested to perform services that will exceed the contract's approved amount, scope of work, and/or terms.

### **ENVIRONMENTAL DOCUMENTATION**

These services are categorically exempt from the provisions of the California Environmental Quality Act (CEQA). These services are within a class of projects, which has been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 of the State CEQA Guidelines.

### **CONTRACTING PROCESS**

On June 20, 2007, the Department of Public Works solicited proposals from 153 independent contractors and community business enterprises to accomplish this work. Also, a notice of the Request for Proposal was placed on the County's bid website (Attachment B), and an advertisement was placed in the *Los Angeles Times*.

Pursuant to the applicable memorandum of understanding, the Request for Proposal for this contracted service was submitted on June 19, 2007, to the appropriate union for review before being released to the public. The union has not asked to meet with the Department of Public Works regarding this solicitation.

On July 2, 2007, three proposals were received. The proposals were first reviewed to ensure they met the minimum requirements of the Request for Proposal. All proposals met these requirements and were evaluated by an evaluation committee consisting of the Department of Public Works staff. The committee's evaluation was based on criteria described in the Request for Proposal, which included price, experience, work plan, and references. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, responsive, and responsible lowest cost proposer, WETCO, Inc., located in Mission Viejo, California.

Attachment C reflects the proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

The Department of Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to this recommended contract which is for services required on an as-needed, intermittent basis; hence, this contract is not a Proposition A contract (Los Angeles County Code Chapter 2.121).

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

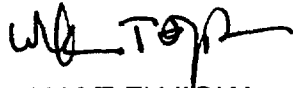

The award of this contract will not result in the displacement of any County employees as these services are presently contracted with the private sector.
